

Dear Mr. Gary and All Concerned Parties:

I have recently received an investment from the Gary foundation to continue my educational career at Morehouse College, and for that I am more than thankful. It is truly inspiring to see such a prestigious man such as Mr. Gary who is willing to come and give back to not only myself but others just like me. As much gratitude as I have for this great gift I would be amiss if I didn't follow Mr. Gary's example and reach out to others.

I have had the honor of hearing Mr. Gary speak on two separate occasions, firstly at my school, then he spoke at my graduation, from both speeches I have learned one thing and I think it is the most important thing I could ever learn, that is to always reach back and help those behind you. When I help some one reach my level I start a domino effect and their by improve not only myself but those who cross my path.

Thank You does not give true justification for what Mr. Gary has done for me. With his extra help I can achieve my dreams and for that I am speechless. The only thing I can do now is prove that I really deserve everything that I have been given, just as Mr. Gary did I will also succeed and when I get to the top I will follow the example that has been set for me, and give back to the community that has given so much to me. Mr. Gary has helped me more than he will ever know and for that I am more than appreciative.

Sincerely
Isaiah Scott
