

Dear Gary Foundation,

My name is Brandon Ramsey and I am honored to be one of the recipients of the Gary Foundation scholarship. I just wanted to take this opportunity to show you my appreciation. As a result of this scholarship, I am currently enrolled as a full time student at the University of Central Florida. I am majoring in pharmacy and minoring in business. In addition, I am also trying out for the football team this spring. I know that without this scholarship I would not be able to pursue my dreams of playing football and becoming a pharmacist. I am honored that your foundation could see my potential and decided to help support me financially. I cannot thank you enough for providing me with the opportunity to further my education. You have truly created a stepping stone in my academic career.

Sincerely,
Brandon Ramsey
